

Centre for London, Coronavirus Transport Survey – May 2020

Methodology: Savanta ComRes interviewed 1,068 London residents online between 15th and 19th of May 2020. Data is representative of all London residents by age, gender and region. Savanta ComRes is a member of the British Polling Council and abides by its rules. Full tables at www.comresglobal.com

All press releases or other publications must be checked with Savanta ComRes before use. Savanta ComRes requires 48-hours to check a press release unless otherwise agreed.

For information about commissioning research please contact info@comresglobal.com or call +44 (0)20 7871 8660

To register for Pollwatch, featuring commentary and insight from the Savanta ComRes team, please email: pollwatch@comresglobal.com
